*Life is an accrual of loses. Every loss challenges our capacity to have control. Loss of control and insecurities of the unknown leads to grief. Grief, if not well managed will lead to a crisis of faith. Whether grief comes from loss of limb, health, trust, opportunity of life itself, when understood from God's perspective, loss does lead to gain.*

Join us at **6pm today** in Room 6 so that we work at practical ways to mature emotionally for a truly Christ-like life.
